

# Returning Student Enrollment

Returning students will be **verifying** that their child’s information is up to date. Below is a screenshot of what returning families will see in their ParentVue account once logged in.

All families are required to complete the yearly reenrollment process in order for school staff to have updated student information for emergency purposes.

Please click on “Begin Registration”

Please select a registration.

**\*\*Parents of 7<sup>th</sup> or 8<sup>th</sup> grade students who would like their student to attend online classes please select the “K-8” Registration\*\***

Please be sure to update your address. If there are no changes, select "Click and Continue" throughout the rest of the registration and make changes when necessary.

The screenshot shows the 'Registration for K-8' sidebar on the left with 'Family' selected. The main content area is titled 'FAMILY' and 'Home Address'. A progress bar shows 33% completion. A checkbox is labeled 'Check here if your address has changed.' Below, the address is pre-filled as 'Phoenix, AZ 85013'. A 'Save And Continue' button is visible at the bottom right.

Under the documents section you will be asked to provide a copy of your child's birth certificate, vaccination records, valid ID, as well as proof of residency. It is **necessary** for all families to provide proof of **residence every year**, which you can upload as a picture or provide a copy to the school's front office. For all other documents you can click the checkbox stating you will provide a hard copy to the school in order to bypass and complete the enrollment.

The screenshot shows the 'Registration for K-8' sidebar on the left with 'Documents' selected. The main content area is titled 'DOCUMENTS' and 'Family'. It features a 'Primary Home Address Verification' section with a checkbox 'I will deliver a hard copy to the school instead of uploading it.', a 'Document Type' dropdown, and an 'Upload' button. Below is a 'Students' section with a 'Birth Verification' section, also including a checkbox for hard copy delivery and a 'Document' dropdown with 'Baptism Certificate or Affidavit' selected.
